

**BLUE
BOOK
WEDNESDAY**

Tip #69

**INTERNET CITES IN THE
WHITEPAGES**

Rule 18

INTERNET CITE FONT

Author: ordinary font

Article title: italicized

Website name: small caps

NOTE: This is different from the Bluepages, where Small Caps are not used.

SOCIAL MEDIA POSTS

Author (@Handle), WEBSITE (Date, Time), URL.

WEBSITE NAME

The name of the website should be abbreviated according to T6, T10, and T13. For example, “New York Times” would be “N.Y. Times.”

DATE

Use the date as indicated on the site. If the page is not dated, add “(last updated DATE)” or “(last modified DATE)” to the end of the citation. If that is not available, add “(last visited DATE)” to the end of the citation with the most recent date you accessed the site.

DO NOT

Do not use “available at” before the URL. That is from an old version of the *Bluebook*.

Follow along for more *Bluebook* fun!

Comment if you have a request for a future tip. For a library of all prior BBW tips, visit the [LegalEase Citations Blog](#).
